Many thanks to all competitors for making the race a success. I hope that you enjoyed what proved to be from my viewpoint a real burn-up. I'm sure that you will agree that the closed circuit helps tremendously and I thank the Parks Police for helping us in this. Please do not hesitate to criticise the organisation, I am solely responsible for this and will do all to ensure that criticisms are dealt with and errors not repeated in 1974. Possibly the changing rooms are getting a little cramped and this will be reviewed. M.E.M.
